

Register of OHS Professional Education Programs

2016

July 2016

The following OHS professional education programs are offered by Australian universities. Go to www.ohseducationaccreditation.org.au for details on the individual programs.

The programs in blue text are accredited by the Australian OHS Education Accreditation Board. These qualifications meet the knowledge requirements for OHS professional certification for graduates.

The programs indicated in black are currently being assessed for accreditation.

The programs in grey have not yet applied for accreditation.

Contact the registrar on registrar@ohseducationaccreditation.org.au for further information on accreditation and accredited programs.
